

## Pick-up form for TrigasFI Orders

Please send by fax to **08165 / 64 72 29**  
or scan and send by email to [herbert.reiter@trigasfi.com](mailto:herbert.reiter@trigasfi.com) !

We are happy to organize the pick-up at for your sensitive instruments. Depending on the location, we use our own TrigasFI transport service or our transport partners. Your instruments are delivered safely and quickly to our calibration laboratory and back the same way after service is completed. For orders of value larger than € 2500, we offer the pick-up and delivery service free of charge

The pick-up and delivery service includes transport from you to TrigasFI and back to your location. Pick-up usually takes place on the next working day.
